## **INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors  
Missouri Hospice and Palliative Care Association, Inc.  
Jefferson City, Missouri

### **Report on the Financial Statements**

I have audited the accompanying financial statements of Missouri Hospice and Palliative Care Association, Inc., a non-profit organization, which comprise the statements of financial position as of December 31, 2014 and 2013, and the related statements of activities, functional expenses, and cash flows for the years then ended and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### **Opinion**

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Missouri Hospice and Palliative Care Association, Inc. as of December 31, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

**NOTES TO BASIC FINANCIAL STATEMENTS**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

A. Nature of Activities

Missouri Hospice and Palliative Care Association, Inc. (The Organization) was incorporated in 1980 as a Missouri general not-for-profit corporation. The purpose of the Organization is to promote the hospice concept of care for terminally ill patients and their families; to promote an understanding among health care professionals of the needs and resources available to the terminally ill patient and family; to promote communication among existing hospice programs and developing programs within Missouri and at the regional and national levels of the National Hospice Association; to promote improved health care legislation, regulation of standards for hospice care at all governmental levels and responsive reimbursement plans; to promote education for the general public pertinent to the hospice concept; and to promote research in the field of hospice care.

The Organization is supported primarily by members' dues and assessments, the fall conference, workshop fees, and grants. Membership is comprised primarily of associations providing hospice care.

B. Basis of Accounting

The Organization's policy is to prepare its financial statements on the accrual basis of accounting. Revenues are recorded as increases in unrestricted net assets unless there are donor-imposed restrictions. Expenses are recorded as decreases in unrestricted net assets.

C. Basis of Presentation

The Organization presents its net assets and its revenues based upon the existence of donor-imposed restrictions into these classes: unrestricted, temporarily restricted, and permanently restricted.

Unrestricted net assets—Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets—Net assets that are available for use, but expendable only for those purposes specified by the grantor.

Permanently restricted net assets—Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization.

**MISSOURI HOSPICE AND PALLIATIVE CARE ASSOCIATION, INC.**  
**NOTES TO BASIC FINANCIAL STATEMENTS**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

Basis of Presentation (continued)

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. However, if a restriction is fulfilled in the same time period in which the contribution is received, the Organization reports that support as unrestricted. At December 31, 2014 and 2013, the Organization had no restricted net assets.

**D. Cash and Cash Equivalents**

For the purposes of the statement of financial position and the statement of cash flows, cash and cash equivalents consist of cash and other highly liquid resources, such as certificates of deposits, money market funds and other investments, with an original maturity of three months or less when purchased. The following is the composition of the combined amounts appearing in the financial statements.

	2014	2013
Cash	\$ 132,543	\$ 113,608
Money market funds	478	478
Totals	\$ 133,021	\$ 114,086

**E. Property, Equipment and Depreciation**

Property and equipment are capitalized when the value is greater than \$500. Purchased assets are recorded at cost; donated assets are recorded at estimated fair value. Expenditures for additions and major improvements that significantly extend the useful life of an asset are capitalized. Maintenance and repairs which are not considered to extend the useful life are charged to expense when incurred. When an asset is retired or disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is recognized in the statement of activities. Depreciation is provided on the straight-line basis over estimated useful lives ranging from five to forty years. Depreciation expense for the years ended December 31, 2014 and 2013 was \$905 and \$1,068, respectively.

**NOTES TO BASIC FINANCIAL STATEMENTS**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

F. Contributions

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. Restrictions on gifts of fixed assets or cash for the purchase of fixed assets expire when the asset is placed in service.

G. Promises to Give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

H. Management estimates

The preparation of financial statements in conformity with generally accepted accounting principles require management to make estimates and assumptions that affect the certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

I. Income Tax Status

The Organization is a not-for profit organization that is exempt from income taxes under Internal Revenue Code Section 501 (c)(3). The Organization has also been classified as an entity that is not a private foundation within the meaning of 509 (a) and qualifies for deductible contributions as provided by Section 170 (b)(1)(A)(vi).

**NOTES TO BASIC FINANCIAL STATEMENTS**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

J. Functional Allocation of Expenses

The costs of providing the Organization's various programs and other activities have been summarized on a functional basis in the statement of activities and statement of functional expenses. Accordingly, certain costs have been allocated among the programs and support services benefitted.

**NOTE 2 – INVESTMENTS**

Investments consist of three certificates of deposit at United Consumers Credit Union in varying amounts with maturity periods extending up to 24 months. The maturity dates of these investments are February 17, 2015 and were automatically renewed at that time. The investments are recorded at fair value and the interest earned on each investment is rolled back into the certificate of deposit at the maturity date. The total amount of certificates of deposit at December 31, 2014 and 2013 was \$85,407 and \$84,727, respectively.

**NOTE 3 – LEASE COMMITMENT**

The Organization's lease agreement to rent an office facility from Gordon Brothers, LLC in Jefferson City, Missouri effective February 1, 2015. The five year lease requires a \$1,600 deposit and monthly payments of \$1,600. The Organization is also responsible for a their proportionate share (24%) of any increase in real property taxes after the year 2015 which might occur during the lease period. During the years ended December 31, 2014 and 2013, the total occupancy expense paid amounted to \$14,690 and \$13,978 respectively. Of these amounts, \$10,800 was attributed to rent expense for the each period.

**NOTE 4 – COMPILING MEMBERSHIP FIGURES**

The procedure used by the Organization for compiling membership figures as reported to the board of directors provides an accurate count of the membership listing.

**NOTES TO BASIC FINANCIAL STATEMENTS**

**NOTE 5 – EMPLOYEE BENEFITS**

A. 403 (b) Retirement Plan

The company provides an IRA through Edward Jones for all employees who are eighteen years old and have completed one year of service may participate. The company provides 2% of each eligible employee's salary per year. Contributions made by employees are strictly on a volunteer basis.

B. Health Plan

The Organization provides a health insurance plan, which is designed to provide protection against major health-related expenses and pays the premium at 100% for individual coverage of the Executive Director. The Company's expense was \$9,154 and \$9,418 for the years ended December 31, 2014 and 2013, respectively.

**NOTE 6 – CONCENTRATION OF REVENUES**

The Organization receives the majority of its revenues from two sources, membership dues and the fall conference. These two sources represent 69% and 54% of the 2014 and 2013 total revenues, respectively. Should either of these sources be dramatically reduced in the future, it would have a great impact on the operations of the organizations.

**NOTE 7 – CONCENTRATION OF RISK**

The Organization maintains its cash balances at UMB Bank and the United Consumers Credit Union. The balances at UMB Bank are insured by the Federal Deposit Insurance Corporation to a limit of \$250,000 at December 31, 2014. The balances at the United Consumers Credit Union of these accounts are insured by the National Credit Union Administration up to \$250,000. At December 31, 2014 and 2013, the Organization had no uninsured cash balances.

**NOTE 8 – SUBSEQUENT EVENTS**

The Organization has evaluated subsequent events through May 15, 2015, the date which the financial statements were available to be issued.
